**JIMERSON & COBB, P.A.**

**Florida Trend Magazine Names Jimerson & Cobb, P.A.  
One of the ‘Best Companies to Work For’ for Third Consecutive Year**

JACKSONVILLE, Fla. (July 25, 2017) – Jimerson & Cobb, P.A. ranked 17<sup>th</sup> in the small business category on Florida Trend’s “Best Companies to Work For in Florida” making this the third year in a row the firm has been included amongst some of the most prestigious companies in Florida.

To qualify for the list, companies must employ at least 15 workers in Florida and be in operation for a minimum of one year. Participating companies underwent evaluations of their workplace policies, practices, philosophy, systems and demographics. A survey measuring employee satisfaction with the combined evaluation scores determined the top companies and their final ranking.

“It is both rewarding and humbling to be recognized again this year,” said Managing Partner Charles Jimerson. “This is a testament to our commitment to take care of our employees on a professional and personal level. We never undervalue the importance of team bonding and having fun as an office family, which is especially important as we strive to remain consistent as we continually evolve and grow so quickly.”

Jimerson notes the firm remains conscious of maintaining a strong office culture, and strives to find a healthy balance between professionalism and positive work environment through firm traditions and office activities to establish a high morale. For example, the firm holds monthly competitions, including paper airplane throwing contests and most recently held their 4<sup>th</sup> Annual Bob Ross painting competition, which required teams of staff members to work together and mimic a painting from the famous TV artist.

This award is the latest in a line of other acknowledgments for the firm, including Jimerson & Cobb, P.A. claiming the 26<sup>th</sup> spot on the Jacksonville Business Journal’s 50 Fastest Growing Companies and being the only law firm to make the list for five consecutive years. The firm also ranked 37<sup>th</sup> on the University of Florida’s list of 100 Fastest Growing Alumni Companies, which is Jimerson’s alma mater, for the second time in three years. Additionally, Christopher M. Cobb, a graduate of Florida Coastal School of Law and the University of North Florida, was recognized in March as an “Ultimate Attorney” by the Jacksonville Business Journal.

Florida Trend and Best Companies Group developed the “Best Companies to Work for in Florida” program to recognize the state’s best employers based on their policies, practices and demographics. Surveys conducted included questions about leadership and planning, professional development, pay and benefits, and office culture.
