**JIMERSON & COBB, P.A. AMONG BEST COMPANIES TO WORK FOR
IN FLORIDA**

Jimerson & Cobb, P.A., is a business law, creditors' rights, construction litigation and community association law practice

Jacksonville, Fla. – August 8, 2018 - Jimerson & Cobb was recently recognized as one of “Florida’s Best Companies To Work For” by Florida Trend Magazine. This is the firm’s fourth time winning the award.

Each year, Florida Trend Magazine and Best Companies Group selects firms with at least 15 employees, based in Florida as well as outside the state, to participate at no cost. The first part of the survey is a questionnaire about company policies, practices and demographics. The second part is distributed to a randomly selected group of each firm’s employees, who respond anonymously to 72 statements on a five-point agreement scale. The survey also included two open-ended questions and seven demographic questions, which focus on these eight themes: Leadership and planning; corporate culture and communications; role satisfaction; work environment; relationship with supervisor; training and development; pay and benefits; and overall engagement.

This year, Jimerson & Cobb moved up significantly in the rankings, going from 17th in 2017 to 6th in 2018 of Best Small Companies with 15 to 49 employees.

“It is an honor for our firm to be recognized as a Best Company to Work For,” remarked Managing Partner Charles Jimerson. “Providing exceptional, customized service to each of our clients is what distinguishes us from other companies. It all starts with building the best team of passionate, enthusiastic employees who love what they do. From friendly office competitions and employee appreciation events, to continual professional growth driven by our Professional Development Committee, we cultivate an environment of health and happiness that encourages everyone to produce outstanding work they can be proud of each and every day. Our clients benefit from this dedication and internal compatibility, which is one of the key reasons why we have continued to grow so rapidly.”

Jimerson & Cobb has received multiple local and state-wide business awards—including being named one of the fastest-growing law firms in America by the Law Firm 500 two years in a row, and has been acknowledged five times as one of the 50 fastest-growing companies in Northeast Florida by the Jacksonville Business Journal.
