**FOR IMMEDIATE RELEASE**

**ATTORNEY CHARLES JIMERSON SELECTED TO SERVE ON THE  
2013 BOARD OF DIRECTORS OF THE NORTHEAST FLORIDA  
BUILDERS ASSOCIATION**

*Jimerson & Cobb, P.A., is a business law, creditors' rights, construction litigation and banking law practice*

**Jacksonville, Fla. – December 10, 2012** – Attorney Charles Jimerson, managing shareholder of Jimerson & Cobb, P.A., has been selected to serve on the 2013 Board of Directors of the Northeast Florida Builders Association (NEFBA).

“I look forward to further serving NEFBA and employing my background in construction law for the purposes of advocating for the real estate and construction industries,” said Jimerson. As a NEFBA general member, Jimerson was heavily involved in energizing its membership drive and its governmental affairs. Even with his heavy work schedule and family responsibilities, he believes in making time to invest in NEFBA committees and projects.

“I believe it is incumbent upon those of us in construction and real estate businesses to be plugged in with the industries we serve.” He says that NEFBA provides advocacy in legislative matters and an opportunity for informal friendships that strengthen common ground and purpose. “It is an honor to be selected to serve as part of the Board of Directors.”

The Northeast Florida Builders Association (NEFBA) provides industry wide representation designed to strengthen and foster the continued growth of the home and commercial builders, and the construction industry in Northeast Florida. For more information on NEFBA, visit <http://www.nefba.com>.

Charles Jimerson has received professional recognition as an AV® rated lawyer from Martindale Hubbell, from *Florida Trend* and *Florida Super Lawyers* magazines and has been named to the Jacksonville Business Journal's “40 Under 40” in 2011. Jimerson is also a member of the Leadership Jacksonville class of 2013. He is a graduate of the University of Florida Levin College of Law, the University of Kentucky Gatton College of Business and Economics and the Campbell University Lundy-Fetterman School of Business. While attending Campbell, he also served as an active duty Special Operations Combat Meteorologist in the United States Air Force.
