If you're looking for a job, these Jacksonville companies may be the best places to start.

Florida Trend magazine named nine companies based in Jacksonville to its annual list of the best 100 companies to work for in the state. The winning companies fell into various size brackets.

The ranking took into account leadership and planning, corporate culture, work environment, pay and benefits, overall engagement, training and resources and role satisfaction, among other things.

The winners included:

- **Hyatt Regency Jacksonville – Large Category (250 employees or more)**
- **CTI Resource Management Services – Large Category (250 employees or more)**
- **iVenture Solutions – Medium Category (50 to 249 employees)**
- **First Florida Credit Union – Medium Category (50 to 249 employees)**
- **MatrixOneSource – Small Category (15 to 49 employees)**
