**JIMERSON & COBB NAMED TO LAW FIRM 500
FOR THIRD CONSECUTIVE YEAR**

Jimerson & Cobb, P.A., is a full service business law firm focused on providing legal advice and enduring value to businesses of most any industry

Jacksonville, Fla. – November 20, 2018 – The Law Firm 500 Award committee announced the list of 2018 honorees, ranking Jimerson & Cobb, P.A. in the 205th spot nation-wide. This is the third consecutive year J&C has made the list, reporting 51% growth.

To qualify, United States-based law firms had to meet certain revenue requirements and show year over year growth. Kahuna Accounting, an independent accounting firm, determined the Law Firm 500 award eligibility and rankings of independent for-profit firms based on the firm's gross revenues of the previous three years.

“Receiving the Law Firm 500 Award for the third consecutive year is another testament to our firm commitment to continuous improvement and growth,” said Managing Partner Charles B. Jimerson. “Each of the attorneys and staff on our team strive to be even better than they were yesterday. Furthermore, we continue to attract new lawyers to the firm who are creative, innovative and driven to achieve excellence. As a result, our clients consistently receive superior customer service, both in and out of the courtroom. As our clients thrive, our law firm thrives.”

This is the latest award recognizing the firm's growth, a growing list which also includes recently being honored in the 65th spot on the University of Florida's list of 100 Fastest Growing Alumni Companies, which is Jimerson's alma mater, for the third time in four years. In addition to company growth awards, Jimerson & Cobb was recognized in 2018 by Florida Trend Magazine, ranking the firm #6 Best Small Company To Work For In Florida.
