FOR IMMEDIATE RELEASE

**LOCALLY FOUNDED FULL-SERVICE BUSINESS LAW FIRM ONE OF THE 50
FASTEAST GROWING COMPANIES ON THE FIRST COAST**

Jacksonville, Fla. – June 24, 2020 – Jimerson Birr is one of the 50 Fastest-Growing Companies on the First Coast according to the *Jacksonville Business Journal*. This is the sixth year the full-service business law firm has earned a spot on the list with top performing companies from all industries after a five consecutive year run between 2013 and 2017.

The publication's annual Fast 50 list has been around for more than 25 years, honoring companies that have made significant impacts both regionally and across the county. In coordination with GunnChamberlain, the *Jacksonville Business Journal* carefully analyzed financial documents and data to determine which companies have seen the greatest growth over the past three-year period.

"I feel extremely fortunate to work with such an experienced and talented group of attorneys who put our clients and their businesses first, the results of which, we believe speak for themselves," said founder and managing shareholder Charles B. Jimerson. "We are proud to see our firm's name alongside some of the best of the best, many of whom we have the privilege of representing or calling our friends."

Jacksonville Business Journal's Editor in Chief, Timothy Gibbons, noted that the "award is a testimony to the drive and hard work [a company has] invested in the business and the relationships [it has] built with customers and clients."

The firm's specific ranking on the list will be revealed at a virtual event July 23, 2020.
