**JIMERSON BIRR NAMED ONE OF THE BEST COMPANIES TO WORK FOR IN
FLORIDA FOR SIXTH CONSECUTIVE YEAR**

Jacksonville, Fla. – July 28, 2020 - Jimerson Birr, a locally founded, Florida-based business law firm, was recently named one of the Best Companies to Work for in 2020 by Florida by *Florida Trend Magazine*. This is the sixth consecutive year that the firm has earned a spot on the list that recognizes only the top 100 companies throughout the state.

The firm came in at number 30 in its size category on the 2020 rankings, up from number 41 in 2019.

The annual “Best Companies to Work For” competition was created by Florida Trend and the Best Companies Group and is endorsed by the HR Florida State Council. Honorees are selected after a thorough, multi-step process involving an evaluation of the workplace, its policies, practices, philosophies, and demographics, as well as a random and confidential survey of company employees designed to measure overall satisfaction and levels of engagement.

“This recognition is aligned with the firm we have aspired to be, and has everything to do with our extraordinary team,” said managing partner Charles Jimerson. “Their passion, capabilities and contributions fuel us to greater levels of success. Fostering a workplace culture that rewards them and thrives on their active engagement is of paramount importance in delivering on our promise to our clients and colleagues.”
