JIMERSON BIRR RANKS AMONG “BEST LAW FIRMS” IN AMERICA

Jacksonville, Fla. – November 10, 2020 – Jimerson Birr, a full-service, Florida-based business law firm, has been named one of the “Best Law Firms” for the second year, according to U.S. News & World Report.

Firms included in the 2021 Edition of “Best Law Firms” are recognized for professional excellence with consistently impressive ratings from clients and peers. To be eligible for ranking, a firm must have a lawyer recognized in The Best Lawyers in America, which recognizes only 5% of lawyers practicing in the United States.

Earlier this year, two Jimerson Birr partners, Charles B. Jimerson and James O. “Joby” Birr, III were named to the 2021 Best Lawyers in America List. Jimerson was nominated for his work in commercial litigation and Birr for his work in real estate law. Achieving a tiered ranking as a firm signals a unique combination of quality law practice and breadth of legal expertise.

“As a firm, our shared mission is to place the highest priority on client service and, as a result, to become the highest quality provider of legal services to clients, regardless of size or location,” said managing partner Charles B. Jimerson. “Our tiered ranking on this list means that our clients and professional colleagues believe we are living up to that mission, and that makes us exceptionally proud.”

The publication has more than three decades of experience evaluating key institutions in society and their service to customers. The 2021 rankings are based on the highest lawyer and firm participation on record, incorporating 8.3 million evaluations of more than 110,000 individual leading lawyers from more than 22,000 firms.
